ECKANKAR, Religion of the Light and Sound of God

A public newsletter published by the Satsang Society of New Jersey, Inc., A Chartered Affiliate of ECKANKAR

What is ECKANKAR?

“What is Eckankar? The simplest explanation is just to say that it means to become a Co-worker with God. This is the whole purpose of Soul’s existence in the lower worlds: to get all the experience It can through its day-to-day problems.

I say Soul, but I’m talking about people. I’m talking about you, and me. We go through the problems of our every day lives and often we wonder, what do these problems mean? Is this a senseless life? Is this a senseless existence? Or is there some meaning to it?

If we look at life from the viewpoint of a divine being, there is a purpose to this existence. We want to get enough experiences to someday gain the compassion, the patience, and all the other qualities needed to become a co-worker with God.”

The ECK Worship Service

Members of all faiths are invited to participate in the ECK Worship Service. The service brings together three fundamental aspects of studying ECKANKAR--a reading from the ECK writings, singing and contemplating upon HU, the holy name of God, and a discussion of spiritual principles. Join others seeking to bring more insight into their lives at this special celebration of the Light and Sound of God.
